

Food grade accessories for vacuum pumps

Anti cavitation valve

Stainless steel
Lockable

Suitable for limiting liquid ring vacuum pumps, to prevent them from Cavitation.

No jam vacuum relief valve

Stainless steel
Acetyl

Very robust
2" BSP threaded Connection
1/4" BSP gauge port

Floating ball check valve for Liquid ring vacuum pumps

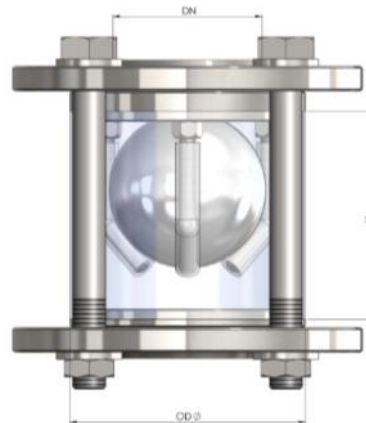

Stainless steel/nitrile construction

These check valves have been design for use on liquid ring vacuum pumps in food industry

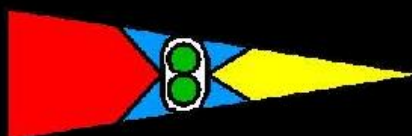

(No glass or mild steel components)

Fitting; they easily clamp between flange of the pump and the flange on the pipe work.

The height can be customized to suit your present installation, saving pipe work changes
